TATWEER ENERGY

# FUELING THE FUTURE POWERING PROGRESS

The Global Market Leader In Specialist Drilling  
Equipment Rental.

**COMPANY PROFILE**

# MISSION AND VISION

## OUR MISSION

Our Mission is to actively and effectively contribute to the services by providing optimisation technologies, employing proven engineering skills, and sustaining innovative and effective international partnerships with genuine technology transfer to ensure maximum oil and gas productivity and sustainability.

## OUR VISION

Through our products, services, and relationships, we enhance the quality, value, and safety of our customers' well performance while gaining widespread recognition for the superiority of our solutions and how we attain them.

Excellence is delivered today and every day.

# QNSE STATEMENT

## Health, Safety and Environment:

Tatweer Energy recognises that the importance it places on Quality, Health, Safety, and Environment (QHSE) is crucial to its business success.

## Quality:

Tatweer Energy is committed to providing customers with solutions that meet the highest quality standards across all business divisions. The leadership and dedication of management to the QHSE management system will be evident in all of our operations and processes.

## About us:

Tatweer Energy combines the expertise of its personnel, equipment of the highest quality, and cutting-edge technology with a strong emphasis on innovation, dependability, quality, integrity, and customer service.

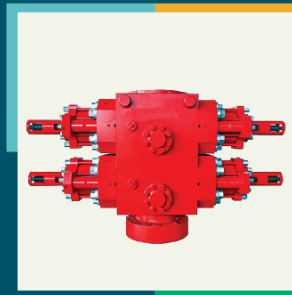

# RENTAL SERVICES

## 01 SURFACE PRESSURE EQUIPMENT

- Complete Blow Out Preventers (BOP) Stack
- Choke Manifold
- BOP Control System (Kooamey Unit)
- Drilling Spools
- Kelly Valve Assembly
- All Other well control related parts

## 02 DRILLING TOOLS RENTALS

- Tubulars (DP, HWDP, DC)
- Tubular Handling Equipment
- Stabilizers
- Jars (Hydraulic, Mechanical)
- Shock Tools
- Roller Reamers

# MAINTENANCE SERVICE CENTER

## Well Control Service Center

Our service centre is proficient in safely repairing well control equipment, addressing issues, and providing certifications. This enables prompt drilling without relying on overseas material supply.

## Refurbish and rebuild Center

We have worked hard to provide reliable service, maintaining a wide range of equipment for the oil and gas and engineering industries. Our extensive network allows us to quickly service a variety of specialized products, including refurbishing, overhauling, and maintaining all types of machinery, primarily.

- Cementing Units
- Batch Mixers
- Centrifugal Pumps
- High Pressure Triplex Pumps

# SINGLE SOURCE FOR ALL YOUR RIG CONSUMABLES AND SAFETY EQUIPMENT:

Tatweer Energy provides cost-effective oilfield products, including drilling equipment, fire and safety gear, and electrical supplies, leveraging industry expertise and dedicated personnel to achieve this objective.

## SPECIALIZE IN:

- Mud Pump Expendables and Replacement Parts
- Handling Tools, Gate Valves & Swivel Cartridges
- Electrical Material
- Rig Consumables
- Safety Supplies & Products
- Personal Protective Equipments
- Respiratory Protection Products
- Fall Protection Products
- Gas Detection Equipments

## Company certification

- QUALITY MANAGEMENT SYSTEM - ISO 9001-2015
- ENVIROMENTAL MANAGEMENT SYSTEM - ISO 14001-2015
- HEALTH & SAFETY MANAGEMENT SYSTEM - ISO 45001-2018

## Management

Tatweer Energy's commitment to serving the Oil & Gas industry in the Sultanate of Oman, along with our efforts to provide seamless solutions to our clients' business requirements, distinguishes us.

C. E. O.

Tatweer Energy works diligently to enhance its standards and procedures, while never losing site of the larger objective of fostering long-lasting business relationships in the Sultanate of Oman.

General Manager.
